

Amendment of services and products

You should use this form to amend the list of services and products which you wish to be included within the jurisdiction of the Telecommunications Ombudsman Service (OtelO).

If you are unsure what services and products you have already included, please contact OtelO on 01925 430875 or 01925 430870, or by email at membership@otelo.org.uk.

Insert name of the Member Company		
Insert contact name for business communications		
	The Applicant (and its subsidiary undertakings) wishes to add or remove the following services and products, which are included in the statutory services and products falling within the jurisdiction of the Ombudsman and the Service:
